SUBJECT: PEDIATRIC NUTRITION SURVEILLANCE SYSTEM (PedNSS) COUNTY
SPECIFIC TABLE 16 FOR CALENDAR YEAR 2001

Enclosed is County Specific Table 16 for 2001 PedNSS which provides data for growth indicators by race/ethnicity and age. This is a special report that Centers for Disease Control and Prevention (CDC) provided to California at the request of Children's Medical Services Branch. These tables may be helpful in preparing county specific reports related to children and weight. If the sample size is less than one hundred, an asterisk will appear on the table designating that a percentage was not calculated. Counties are being sent reports which are specific to their respective populations. The 2001 national, state and limited county PedNSS annual reports from the Centers for Disease Control and Prevention (CDC) were sent previously.

If you have questions, please contact your county CHDP nutritionist or CMS Nutrition Consultant, Susan Mattingly, M.S., R.D., at (916) 322-8785, or smatting@dhs.ca.gov
